

RECYCLED CONTENT DECLARATION

PRODUCT(S): RAVAPURA: L70
C70
LC50

To whom it may concern –

In accordance with provisions of the QA-CER System 2 certification scheme, we can declare that the above-mentioned RAVAPURA recycled compounds have:

- **70%** of post-consumer recycled (**PCR**) content for grades **L70** and **C70**
- **50%** of post-consumer recycled (**PCR**) content for grade **LC50**.

All schemes under the Polycert Europe umbrella initiative are in accordance with EN 15343:2008.

The following logos may be applied on these products to confirm their recycled content:

We may also apply the QA-CER and PolyCert Europe logos on documentation related to our RAVAPURA brand:

Important notice:

The properties stated above, cannot guarantee specific properties for specific applications. The user himself, has the responsibility to check the properties of our products, for his application with specific tests and test methods. The user is responsible for usage, storage and handling of our products, following the general safety and environmental prescriptions for such products. Appropriate processing conditions for the articles have to be applied. The information is provided in good faith and based upon the information and statements we received from our relevant up-stream suppliers. They correspond to the state-of-the-art and refer to the state of the laws at the date of issue. This declaration is valid until product(s) or regulatory changes occur. No legal rights can be derived from it and Ravago Group disclaims any liability for any errors or omissions.
