To whom it may concern

According to available information from our raw materials suppliers, we can confirm that the components used for the manufacturing of above listed material(s) are in compliance with **Reg. (EU) No 1169/2011 - ANNEX II** updated to the latest amendments at the present time and applicable to intermediate plastic materials (e.g. plastic powders, plastic granulates, plastic flakes) and the product does not have any food allergen effects.

However, please note that no specific analysis or tests have been performed by Ravago on above listed material(s) for food allergetic reactions.

This declaration does not relieve the converter from carrying out its own investigations and tests, neither does it imply any guarantee for certain properties nor the suitability of the product for any standard/norm.

This information applies to the material as it leaves its production facilities and does not cover any additive, pigment, etc... subsequently included or introduced by the converter.

Declaration

Important notice:

*The properties stated above, cannot guarantee specific properties for specific applications. The user himself, has the responsibility to check the properties of our products, for his application with specific tests and test methods. The user is responsible for usage, storage and handling of our products, following the general safety and environmental prescriptions for such products. Appropriate processing conditions for the articles have to be applied. The information is provided in good faith and based upon the information and statements we received from our relevant up-stream suppliers. They correspond to the state-of-the-art and refer to the state of the laws at the date of issue. **This declaration expires in case of regulatory changes.** No legal rights can be derived from it and Ravago Group disclaims any liability for any errors or omissions.*
