PAGE : 1/1

To whom it may concern

Please be advised that in none of the manufacturing processes of above mentioned brands/grades have been intentionally added the following substances:

- **PFAS** (Per- and PolyFluoroAlkyl Substances)

However, please note that substances concentrations, both in finished products and in raw materials, have not been checked internally by specific analysis and we don't ask our suppliers to confirm absence of mentioned substances as impurities in their products.

This declaration does not relieve the converter from carrying out its own investigations and tests, neither does it imply any guarantee for certain properties nor the suitability of the product for any standard/norm.

This information applies to the material as it leaves its production facilities and does not cover any additive, pigment, etc... subsequently included or introduced by the converter.

Regulatory Dept.*

Important notice:

*The properties stated above, cannot guarantee specific properties for specific applications. The user himself, has the responsibility to check the properties of our products, for his application with specific tests and test methods. The user is responsible for usage, storage and handling of our products, following the general safety and environmental prescriptions for such products. Appropriate processing conditions for the articles have to be applied. The information is provided in good faith and based upon the information and statements we received from our relevant up-stream suppliers. They correspond to the state-of-the-art and refer to the state of the laws at the date of issue. **This declaration is valid until product(s) or regulatory changes occur.** No legal rights can be derived from it and Ravago Group disclaims any liability for any errors or omissions.*
