### To whom it may concern

Please be advised that based upon the information available to us from our raw material suppliers, above mentioned products do not contain as intentional additives or ingredients, the four heavy metals cadmium, chromium (VI), lead and mercury and their components as referenced in EU Directive 94/62/EC.

To the best of our knowledge this product meets the requirements of Article 11 for total incidental cadmium, chromium (VI), lead and mercury.

In addition, this product has the potential to be recycled according to the requirements of CEN standard prEN 13430, but is not suitable for composting (CEN standard prEN 13432).

This declaration does not relieve the converter from carrying out its own investigations and tests, neither does it imply any guarantee for certain properties nor the suitability of the product for the specific purposes included in above mentioned Regulation or in any other standard/norm.

This information applies to the material as it leaves its production facilities and does not cover any additive, pigment, etc., subsequently included or introduced by the converter.
