

RAVAFLEX

The premier reprocessed elastomer

Ravaflex™ is designed by Ravago to be manufactured to exact customer specifications to create a consistent, readily available raw material for manufacturing.

Our recycled rubbers are sold under the brand name Ravaflex™.

Our product range consists of SBR, BR, NBR, EPDM, EPM, IIR, BIIR & CIIR.

NEW

Global production standards for our reprocessing sites in the United States, Europe and Saudi Arabia.
